DEDICATION

Mr. Meinelt has become something of a legend. He is a man of great versatility and concern, always ready to advise us on innumerable and diverse problems. It is doubtful that many of the operettas and plays would have been so successful without his help and knowledge. In gratitude for time and energy devoted to all classes, we dedicate the 1969 MITOBO to him.

Mr. Julius H. Mueller

In deepest respect and gratitude for the time and energy Mr. Mueller has devoted to Masconomet, the class of 1969 would like to express its thanks. He has stood repeatedly for respectability and propriety, even when it has not been the popular position to take. Mr. Mueller, we admire your integrity. For the sake of Masconomet and her students, we only hope your successor has your devotion to excellence in education.

CASTLE HILL

The date: Friday, May 31, 1968. The place: Castle Hill, Ipswich. The event: Masconomet's Junior-Senior Prom.

One hundred seventy-eight couples danced and ate in the romantic, formal atmosphere of the Castle, as the class of '69 sponsored one of the most successful proms in the history of the school. The weather was cold and foggy, but this did not seem to dampen spirits as the evening began with the traditional receiving line of faculty members, administration, and class officers, and proceeded through the Senior's Grand March and general dancing to its climax, the announcement of the eight girls chosen to be members of the Prom Queen's court. Don Russell's Orchestra was given the task of choosing a queen from among the eight candidates. After some deliberation the band chose Janet Ross to be the 1968 Prom Queen. In the court were Muffie Cheney, Patrice Eremian, Carol Pavesi, Chris Pitt, Sally Shaffer, Lyn Small, and Joanne Wildes.

A buffet dinner was served at 10:30 and dancing continued until this enjoyable and enchanted evening drew to a close at midnight.

INHERIT THE WIND

The school's production of *INHERIT THE WIND* delighted and entertained large audiences. Under the able direction of Miss Jarvie, freshmen and seniors alike played their parts superbly. Steve Polkow, as the hard, realistic defense attorney, had our full attention and sympathy. Rick Porter thundered Prosecutor Matthew Brady's pompous oratories with convincing realism. With humorous witticisms and pointed remarks, Scott Nangle, as the cynical Hornbeck, occasionally dominated the action. The fine scenery and intricate lighting displayed the action to its fullest.

BRIGADOON

This year on March 7 and 8, the enchanted Scottish Village of Brigadoon made a once in a century appearance on Masconomet's stage. Richard Porter and Scott Nangle portrayed Tommy and Jeff, "Two weary hunters" lost in a misty forest of Scotland. As the mist rose, the two experienced an unforgettable day in their lives when they encountered the colorful characters of Brigadoon. With Miss Jarvie's expert direction and the hardwork of the 'behind-the-scenes' committees, a superb production was enjoyed by many of the region's residents.

POWDER PUFF FOOTBALL GAME

The Thanksgiving season was ushered in at Masco with the traditional Powder Puff football game. The senior and junior girls, after weeks of practice with their respective football-team-member coaches, once more proved to gridiron fans that football is not necessarily a man's game. The Seniors ("Lunchies") scored in the first half and seemed certain of an undisputed victory but the Juniors ("Rod's Broads") managed to score with only seconds to spare. The resulting 6-6 tie was claimed as a moral victory for the "Lunchies".

POWDER PUFF

RALLIES

RALLIES

Several times throughout the year the Pep Squad and cheerleaders organized rallies in the Masconomet gym. With inspiration from the band, Pep Squad, majorettes, and cheerleaders, the student body was encouraged to cheer our football, basketball, and hockey teams on to victory.

SOCK HOPS

To raise funds for this year's activities, the Senior class sponsored several victory sock hops. Following football and basketball games, the enthusiastic spectators went to enjoy dancing to live and recorded music in the school gym.

ASSEMBLIES

The assembly series featured three outstanding programs. Reverend Breeden of Roxbury spoke to House Three on Black Power and Pride. Later, three former drug addicts, also from Roxbury, spoke about their personal experiences as addicts and as members of FIRST: For Individuals Recovering Sound Thinking. Prior to the '68 Presidential election, there were assemblies for the two major candidates, with State Senator Saltonstall speaking for Mr. Nixon, and Dean Larkin of Boston College for Mr. Humphrey.

Mokler, J. Mulcahy. FRONT ROW: G. Irwin, J. Simms, M. Wehling, D. Rupp, J. Wilcox. Missing: J. Norris, C. Irwin, J. McIntosh, J. Hopping, T. Vitale.

CHORUS

MUSIC

Participation in music at Masconomet has grown in 1968-69. There were many chances for musical expression. Freshmen and Sophomores were invited to sing in the House II Chorus, and those in House III could join the Singers. Both organizations were under the direction of Miss Jarvie and the student director, Rick Porter. Any high school student could audition for Chorale, a balanced singing group of approximately two dozen students.

The band, directed by Mr. Killian, was open to all students. They practiced in two sections, symphonic and marching band, the latter providing entertainment at football games and at rallies. The highlights of the year occurred at the times of the Christmas and Spring Concerts, both excellent performances. The Music Room has become one of the favorite rendezvous of the many talented musicians in Masconomet.

ANNOUNCERS

Throughout the school year the most vocal club has been the announcers. Their job is to see that students and teachers are kept supplied with the news of what is happening. Thanks to their efficient job, students are informed of the day's activities through the morning announcements. This concludes this announcement.

HOUSE III OFFICE AIDES

The office aides are an integral part of the school office. Every day these girls work at answering the telephone, and other jobs including the distribution of the absentee list. They have given up study halls to help file, deliver messages, and find lost students.

BUSINESS CLUB

The Business Club is an extension of Masconomet's business courses. It allows those students who will pursue business careers the opportunity to expand their knowledge of the business world. Miss Carnevale is the advisor.

FACULTY SECRETARIES

The faculty secretaries are girls who are hired by the business department to type and run off stencils for teachers. At any hour one of them is sure to be found efficiently clicking away on some business room typewriter.

STAGE CREW

The stage crew, unsung heroes of Masconomet's dramatic productions, have been kept busy this year building elaborate sets for "Inherit the Wind" and "Brigadoon." Under the supervision of Mr. Robert Morse, they tackled and solved problems in lighting and special effects. Stage managers Karen Onufry and Jim Bean have kept the shows running smoothly during performances. These backstage workers have also taken care of lighting, stage set-ups and camera work for concerts, assemblies, movies, and other programs which were held at the school during the year.

MONITORS

Between classes the Masco monitor stands at his post directing student traffic. Indeed, not even the faculty is allowed to go down the left hand side of a corridor. They are responsible for maintaining the smooth functioning of the traffic pattern to and from the cafeteria during lunch.

Officers are: C. Poor, President; H. Moore, Vice-President; P. Eremian, Sr. Secretary; M. Holt, Jr. Secretary.

STUDENT COUNCIL

The Council has striven to bring the administration and students to a better understanding. Their main purpose has been to develop student interests in school and community affairs. During the Christmas season, they sponsored a toy drive for the children at the Hawthorne State School. As a permanent tradition, they have set up the Monday morning flag-raising ceremony. As always, they have sponsored several interclass dances to raise money for scholarships.

PEP SQUAD

The members of the Pep Squad expended time and effort to support this year's Chieftains. During football season, they attended every game and supplied plenty of verbal support. They organized parades and enlivened rallies with their clever skits. Their posters lined the walls, spreading enthusiasm and spirit to the whole student body.

R. Giannelli, President; V. Melzar, Vice-President; J. Doughy, Secretary; C. Bill, Treasurer.

LEADERS

The members of the leader's club devote many hours to assisting gym teachers in helping other girls acquire skills in the area of physical education. They demonstrate and explain techniques for different sports, such as basketball and gymnastics. Other activities include a demonstration night for parents and a Leader's weekend held in New Hampshire every spring.

MITOBO

The 1969 MITOBO editors had a challenging opportunity to use the Oriental "Yin-Yang" symbol as the basis for this year's theme, since it stylistically represents the number 69. Through picture and word we sought to record the atmosphere of Masconomet life. Late nights of writing, laying-out, typing, and censoring contributed to making the '69 MITOBO Masconomet's best yearbook.

KALEIDOSCOPE

Under the guidance of Miss Reynolds, Mr. Meinelt, and Miss Swenson, writers, artists, and photographers strive to produce a literary magazine of merit twice each year. Working with various themes, they explore the breadth and depth of man's folly and fancy.

STUDENT EXCHANGE BOARD

Masconomet has been fortunate this year to have had eight Foreign Exchange Students attending our classes. Our visitors represent a wide variety of cultures: England, Norway, Mexico, Germany, Belgium, and Gambia, Africa. The Exchange Board hopes to promote better international understanding through these exchanges between Masconomet and foreign schools. The board raises funds for scholarships with their annual candy sale, car wash, and International Dinner. To include the public in the activities, the board, working in conjunction with the MACs, the adult sponsors, holds several assemblies and receptions when the students show slides of their native countries.

Surely they will agree that this has been a very rewarding experience for them. Pictured left to right our ambassadors are: Graham Chadwick, Germany; Alice Kenny, England; Sally Shaffer, England; Cathy Tuttle, Belgium.

At the beginning of the school year a group of students organized the World Affairs Club. They have listened to guest speakers and taken field trips to Boston slums. Through heated debates on world issues they hoped to gain a greater understanding of international affairs.

The members took two overnight trips to Killington, Vermont, during February vacation and several day trips to the White Mountains. Under the leadership of Mr. Jervah, the club enjoyed New England winters to the fullest.

OUTING CLUB

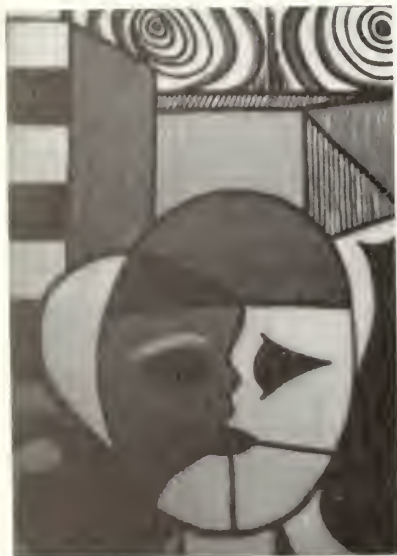

The purpose of the club is to provide opportunities to enjoy the out-of-doors. Each June this large and eager group travels to New Hampshire to scale the cliffs of Mount Washington. Masconomet's football squad got back on the winning track this fall, closing its season of extremes with a 5 win, 2 loss record. With spirit and determination the team won several outstanding victories. In the first game, they shut out Lynn Trade, 14-0. With the defeat of Hamilton-Wenham by the amazing margin of 26-8, Masconomet broke their fourteen game winning streak. The team paid a large price for their win over Lawrence Voke; the entire first string suffered burns from lime. Consequently, the North Reading game scheduled for the next Saturday, was cancelled. Following their fourth victory (over Lynnfield), they experienced heartbreaking defeat at the hands of Ipswich. The team rallied to win the next week over North Andover, greatly encouraging both team and the fans. It was Coach Roberts 50th victory as Masconomet's hard-hitting and dedicated coach. The season closed on a low note with a loss to Pentucket.

Masco's Varsity Hockey team had an exciting and successful season. Aided by Coaches Plumley and Poor and led by Captain Scott Cole, the puck-pushers kept fans on the edges of their seats in Billerica's Forum as they swished to fourth place in the Merrimack Valley League with a 6-7-5 record. They participated in the league play-offs and made an admirable showing. Although the team lost nine able seniors with the ending of this year, they have several younger players who show a lot of promise and are bound to keep Masco a winner.

Busy at work learning the rules of the ice, the Junior Varsity Hockey team showed an exceptional amount of spirit this year. Most of the boys seem ready to take over next year as regulars on the varsity squad and judging by their winning season, their confidence is not without just reason.

Masconomet's outstanding Cross-Country team again earned honors for itself and the school. They won the Cape Ann League Trophy for the eighth year in a row. This year, too, they won the Catholic Memorial Sophomore-Freshman race--competing with about 40 other schools. It was a glorious season for Dave Farley, the Masconomet "road runner", who came in first in 80% of his races. The school's bulging trophy cases bear silent testimony to the fine efforts of the Chieftain Harriers.

The Boy's Gymnastic team had a difficult season this year. Lack of practice facilities could well have been a contributing factor. Several meets were lost by only a very few points. A large disappointment was a fifth place standing in the League Meet. All things considered, Masconomet made a good showing. Steve Polkow made his best score of the year in floor exercise and Tom Hamilton performed quite well on the side horse.

BASKETBALL

The Varsity Basketball team had a good season this year. With towering Lenny Dwinell and Charlie Peters, good teamwork generally assured Masconomet a victory. Breathless fans watched as Masconomet beat Rockport by a single point. Equally exciting was a home game against North Reading in which Masconomet came from behind in the closing moments of play to win by three points. It was a perfect game for Charlie who made 12 out of 12 foul shots. The team entered the Tech Tourney with a fourth place standing.

The Junior Varsity team fared less successfully. They put up a good fight against their opponents; it was not due to lack of spirit that they finished second in a number of games. Their experience will hopefully be an asset to the 1970 Varsity team. The freshman, too, deserve a cheer for their often ignored victories.
